

The Institute of Loss Adjusters of Southern Africa

Conference 6 June 2019

Glenhove Conferencing, 52 Glenhove Road,
Melrose Estate, Johannesburg

President's Message

This the Institute's 12th Annual Seminar and the Guest Speakers at this years Seminar are:

Maria Philippides from Norton Rose Fulbright talking on Admissibility of Photographs, Video and Electronic Mail Evidence. **Ina Iyer and Amelia Costa** from Clyde & Co talking on Proximate Cause Revisited. **Professor Robert Vivian** from Wits talking on Legal Update: 2018. **Ryan van de Coolwijk** from ITOO Special Risks talking on Demystifying Cyber Insurance and, last but not least: **Ron Beeby** from Loss Limit Engineers talking on Subsidence, Settlement & Landslip. **Ernie van der Vyver** from Clyde & Co will discuss Treating Customers Fairly.

I thank all these Speakers for giving of their time and sharing their knowledge with us.

A special thank you also to our Exhibitors: Hyde Park Jewellers, Diamond Jewellery International and Dryforce

Exhibitors:

Next year our Institute is 60 years old. We currently have more than 300 members throughout Southern Africa.

As an Institute, we strive to maintain the highest standards of professionalism at all times. In this regard, the Institute encourages and maintains its support to all members to continue with their professional development and to gaining of knowledge and skills on the road to their future. Currently there are four ILASA membership categories, namely:

Candidate

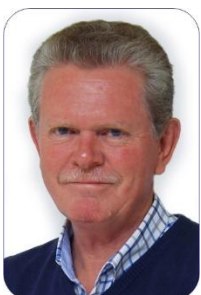

Accredited

Associate

Fellowship

On behalf of our members, I would like to thank the Insurance Industry for their continued support and trust in our profession. Finally, I would like to thank all our delegates for attending this year's Seminar. We encourage you to suggest future topics for discussion. I look forward to seeing you on 6 June 2019.

Richard Jackson
President - Institute of Loss Adjusters

Our Speakers

RON BEEBY As sole proprietor of Loss Limit, Ron is a registered professional engineer and an associate member of the ILA. Along with 30 years of experience in the insurance industry, Ron holds multiple technical qualifications. As a result of his expertise, he has been appointed as a trusted specialist engineer by leading insurers ABSA, Santam, Hollard Insurance, Nedgroup Insurance, Standard Insurance, SAHL, Old Mutual Insure and by leading Broker Institutions such as Brolink, AON, Barker Insurance Brokers, Insurance Zone, to name but a few.

MARIA PHILIPPIDES As an insurance litigation lawyer, Maria is Head of the Financial Institutions: insurance industry sector at Norton Rose Fulbright and specialises in insurance law and contractual and delictual disputes. Her insurance practice focuses mainly on issues relating to property, assets and liability insurance, including commercial and agricultural fire insurance, all risks cover, professional indemnity insurance, public liability, product liability, business interruption and personal injury. She has extensive experience advising insurers, brokers, and insurance intermediaries on coverage issues, and on contractual and delictual liability disputes and has been listed by Who's Who Legal, 2016 as an expert in insurance and reinsurance.

RYAN VAN DE COOLWIJK Ryan's career started in IT in 2002 and he has over 16 years of experience in IT security and risk management, spanning various industries for organisations of all sizes. He holds various IT qualifications including a BSc Computer Science degree, National Diploma in Computer System Engineering, PMP, CISM and CISA. Having worked as Development Manager at Information Security Architects, in Risk Advisory at Deloitte, on the development of the CyGeist cyber insurance offering and subsequently launching the Hollard cyber insurance offering, Ryan has an in depth knowledge of IT risk management and cyber insurance. His diverse skill set and varied experience enable him to identify and provide solutions on data related risks from both internal and external perspectives.

INA IYER As legal director at Clyde & Co, Ina's dispute resolution practice specialises in insurance law. She advises a multitude of local and global insurance clients in analysing claims, advising on policy response, reviewing policy wordings, pursuing subrogated recoveries and defending litigation matters. The bulk of her work relates to public liability, products liability, defamation, personal injury, consumer protection and Sasria perils. She was admitted as an attorney in May 2013 and holds an LLB (cum laude) degree from the University of Pretoria.

AMELIA COSTA Amelia's litigation dispute resolution practice specialises in insurance law and medical malpractice. Her expertise includes advice on insurance regulatory aspects, insurance claims (including marine) and cover disputes, subrogated recoveries, broker liability, dental and medical disputes and consumer protection. Amelia represents the majority of the leading insurance companies, health care providers and security service providers in SA. She obtained an LLB (cum laude) from the University of Pretoria in 2005 and a LLM in Insurance Law (cum laude) from the University of South Africa in 2010.

PROFESSOR ROBERT VIVIAN Prof Vivian has been Professor of Finance & Insurance (School of Economic & Business Sciences) at the University of the Witwatersrand since 1989. Well known and respected as a speaker at numerous conferences, both locally and internationally, he has also published a number of books, journal articles and written for industry magazines.

ERNIE VAN DER VYVER With an LLB and BA, Ernie is a partner at Clyde & Company, specializing in corporate insurance with extensive transactional and regulatory capabilities. He acts on behalf of various insurers, intermediaries and other clients in the financial services market advising on a wide variety of matters (financial services related corporate transactions, international clients on the establishment and structuring of business operations in Africa, mergers and acquisitions and financial services regulation within Africa). He also advises medical schemes and administrators on a variety of legal matters including drafting and negotiating of administration agreements and managed health care agreements.
